ABOUT ME

I am an ambitious developer in the early stages of my career, adept in multiple programming languages including Python, Java, and C#. I have gained valuable experience working with frameworks like Laravel or Tailwind CSS and successfully collaborated with larger teams utilizing version control systems like Github. With a relentless commitment to continuous improvement, I eagerly look forward to furthering my skills and collaborating with fellow developers.

EDUCATION

Dylan Thomas Community School   2015-2018

Attained a comprehensive academic foundation at Dylan Thomas Community School, successfully achieving outstanding results with 10 qualifications.

Gower College Swansea   2018-2020

Concluded studies at Gower College Swansea, attaining three exemplary A-level qualifications in Mathematics, Computer Science, and Robotics.

Swansea University   2020-2023

Successfully completed studies at Swansea University, earning a Bachelor's degree in Computer Science with First Class, Honors (1st), demonstrating a strong foundation in the field.

EXPERIENCE

STORE ASSOCIATE (Experience)   Duration - 14 Days

Gained hands-on experience through active observation of store management, proficiently assisting customers, implementing precise price marking, ensuring seamless restocking operations, overseeing deliveries, and conducting meticulous stock inventory.

EVENT ORGANISER (Volunteer)   Duration - 6 Months

Effectively coordinated and facilitated scheduled meetings across multiple locations, seamlessly accommodating diverse team members' availability through meticulous organization and utilizing a combination of virtual and physical settings.
